

Strategic Information and Cyberspace Studies Master of Science Degree Program Plan

College of Information and Cyberspace
National Defense University
Fort McNair, Washington D.C. 20319-5066

Summary of Degree Requirements and Policies

(See the NDU, CIC catalog for current and complete academic policies and requirements)

Program Completion Time Limit: All coursework applied toward the M.S. degree program must be completed within the previous five years.

Coursework Completed Prior to Program Admission: Current and/or former NDU CIC Certificate students may only use up to three NDU CIC courses (9 credits) toward the Degree.

Requirements for Continued Enrollment: M.S. students must maintain satisfactory progress by completing at least one course every 12 months and maintaining a 3.0 cumulative GPA. Students are expected to achieve a satisfactory grade (A, A-, B+, B) in all coursework attempted for academic credit.
